Figure B1.1.1 In many high-income OECD countries, over half of foreign-born people have been naturalized

Source: WDR2023 Migration Database, World Bank, Washington, DC, https://www.worldbank.org/wdr2023/data.

Note: Refugees are included in "nonnaturalized" in the calculation of their share of the foreign-born. EU = European Union; OECD = Organisation for Economic Co-operation and Development.
