FCV Innovates (in-person only)

Step into FCV Innovates where ideas turn into impact. This in-person, hands-on innovation fair spotlights bold, scalable solutions built for fragile and conflict-affected settings. From interactive mapping to data-driven systems, experience tools that improve lives, strengthen resilience, and bring greater transparency to how funds are used—while helping governments and partners tackle complex challenges.

Join us to see what's possible when innovation delivers where it matters most.

Atrium

2:00 – 3:00 pm

Practitioner Sessions - Segment 1

Sessions featuring mid-level officials and technical leads from WBG units and external partners, providing practitioners space to share their experiences, lessons learned, and approaches and to convene their communities of practice.

10 parallel sessions hosted by external partners and the World Bank Group are under development and will be announced soon!

3:15 – 4:00 pm

Signature Event
