Economic Committee Papers - Economic Report on Turkey - No Report Attached

30309326

Mr. Harold Larsen

September 9, 1965

Paolo Leon

Economic Report on Turkey

Mr. Familton has only two minor comments:

a) page 1, para. 3, third line "while price stability, etc." prices are in fact rising although the position is better than in the fifties.

b) page 114, Table, the debt to IMF is now \$40.5 million instead of \$57.1 million. It is suggested to have a footnote indicating that Turkey repaid \$15 million in July.

Mr. Familton feels that \$57.1 million as of April 1965 is probably a little too high.

cc: Mr. Owen
