River Blindness Projects and Operational Records

Inventory List

These records relate to projects funded by World Bank or partners in association with the Onchocerciasis Control Program (OCP) and the African Program for Onchocerciasis Control (APOC). The inventory also contains records related to specific country operations regarding river blindness, such as missions and studies, as well as information about the OCP and APOC programs. Records date from 1966 to 2011 and were created by departments comprising the Africa Regional Vice Presidency funds ([WB IBRD/IDA AFR](#)). Records are subject to the World Bank [Policy on Access to Information](#).
