The portuguese experience

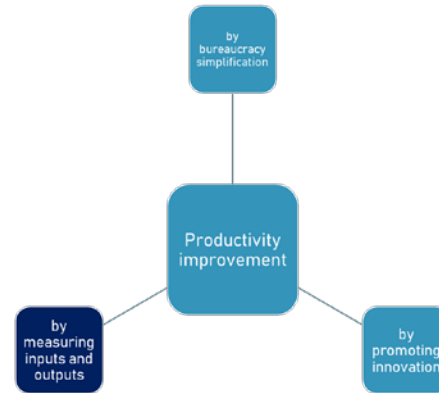

Bureaucracy simplification

- **The Simplex**, a well known national wide program of red tape elimination.
 - Started in 2006
 - Since 2016 SIMPLEX+: Runs every year with new projects.
 - Focus on citizens, enterprises, but also for public administration, in the design of simplification initiatives.

«The first Simplex Programme was launched in 2006. Each year, public bodies from all government departments propose simplification initiatives and establish a deadline for its implementation »
