

SACIDS

Africa Center of Excellence for Infectious Diseases

SACIDS Founding Institutions

Partnership of Universities and Research Institutions involved with Human and Animal Health

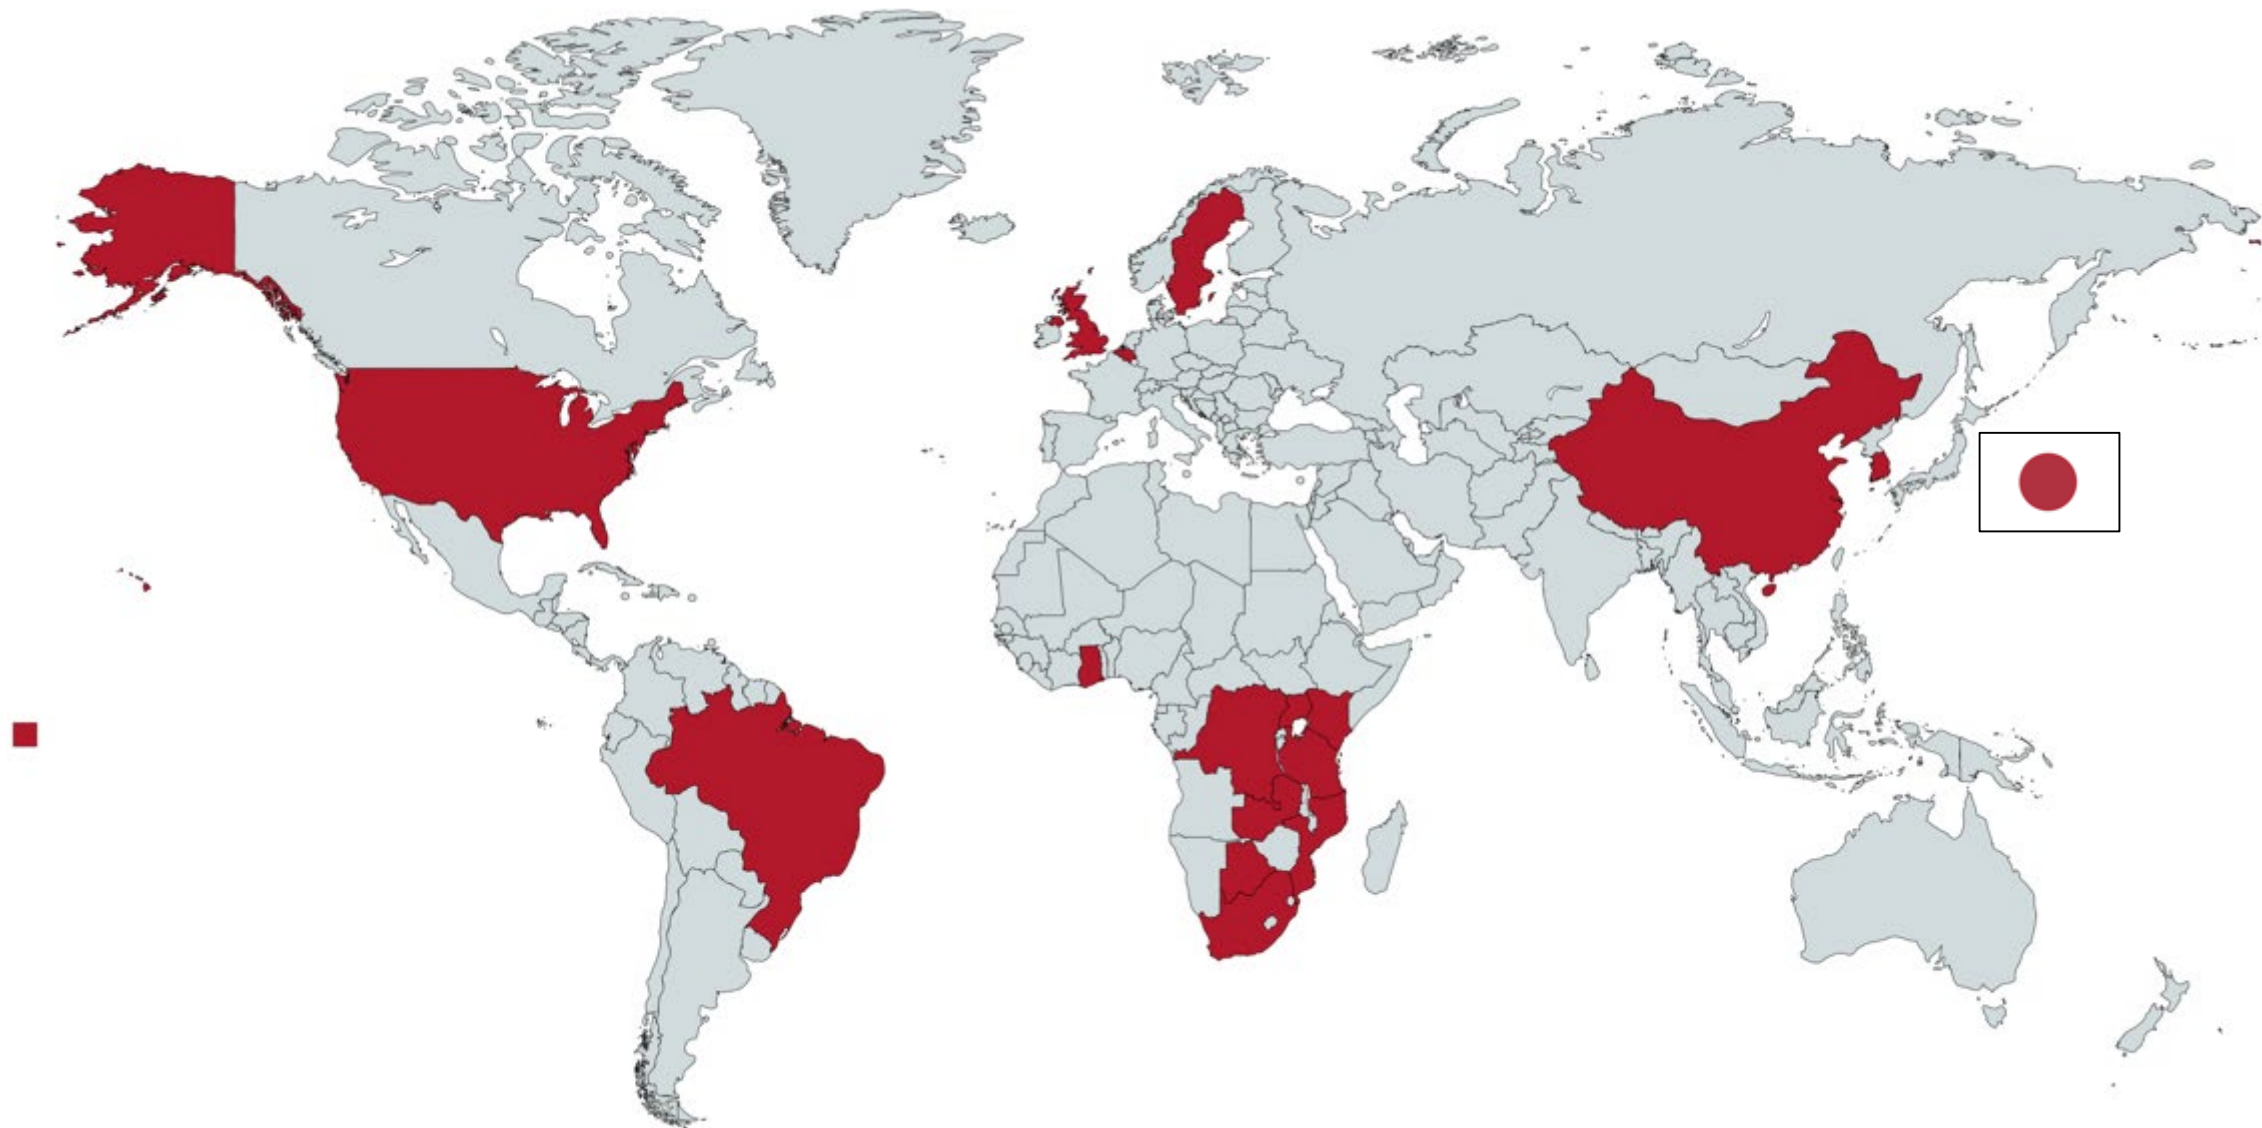

SACIDS Vision

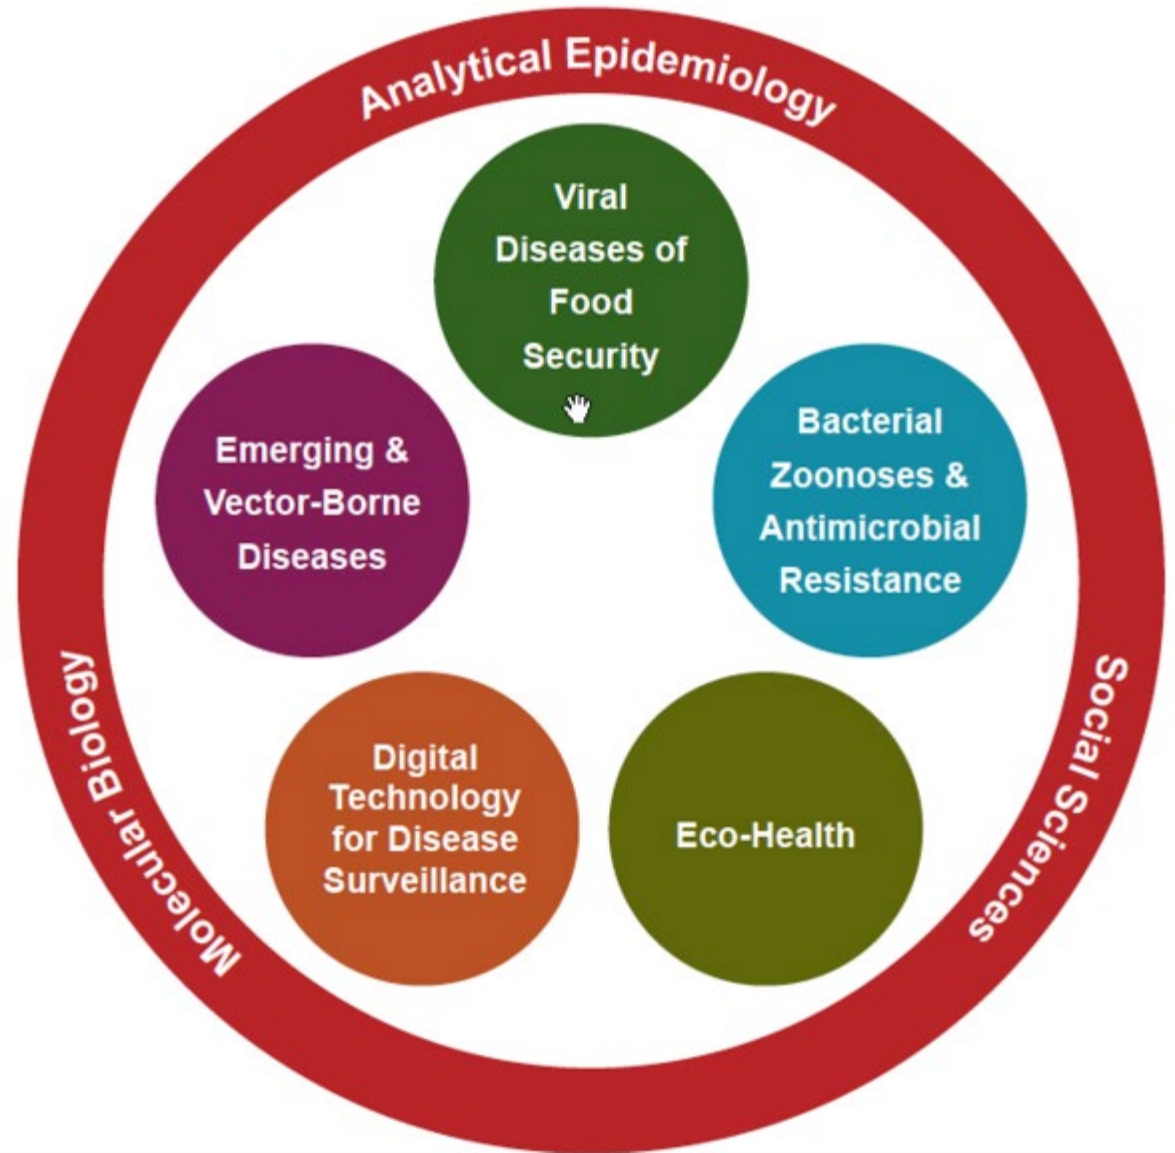

An African society
protected from
devastating infectious
diseases affecting the
health of humans,
animals and
ecosystems

Evolved into: A South-South-North Smart Partnership

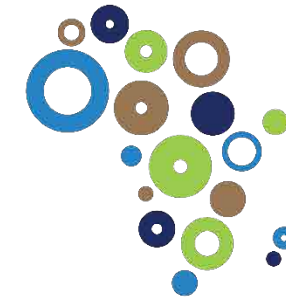

Smart Partnership Underpins the Community of Practice Strategy

Community of Practice Strategy

Allows for planning together, sharing of expertise and best practices, team supervision and mentorship, and proposal development and execution

PASET
