

US Nationals Breakfast, January 18, 2023.

The USED hosted her fifth U.S. Nationals breakfast. As in previous gatherings, attendees expressed deep appreciation for the opportunity to engage with the USED and staff. The OUSED Team members introduced themselves, explained their roles, and responded to questions on issues of importance to U.S. staff. In particular, attendees were interested in the USED's views on World Bank Evolution and compensation. The USED encouraged attendees to engage directly with the OUSED with any concerns or suggestions.
