Hi Betsy,

Thanks for your email and great to hear to hear from you.

I'm just a tiny bit confused by your email as you mention January 25th while the dinner on Wednesday January 24th as from 8PM CET.

Could you please confirm that a meeting is possible on Wednesday January 24th from 19.30-20.00CET?

The meeting will take place at the event venue that is privatized for VEON. The area split-up. The welcome drinks will be in the front and in the back will be the dinner. We would like to propose that the meeting will take place in the dinner part where Mr. Georgieva, besides the meeting with Ms. Burns, can also have a final briefing about the dinner.

Furthermore, could you please advise who will the point of contact on the ground in Davos for Ms. Georgieva? From VEON's side this will be me (+31651275736 or dave.valkenburg@veon.com) and in case you can't reach me, please contact us via davos@veon.com and one of my colleagues will get back to you a.s.a.p.

Looking forward to hearing from you.

Dear Dave,

Many thanks for your patience. We can confirm a meeting prior to the dinner on January 25, at 8:00 pm. Will there be a place where they can talk at the Scharzalp Hotel? Kindly advise.

Best regards,

Betsy

Dear Galia & Betsy,

With reference to our below email, could you please advise is any other slot that before the dinner has come available? As we want the keep the schedules free before the dinner in order for the delegation to prepare themselves for the dinner it would not have our preference.

Having said this, if this is indeed the only availability of Mr. Georgieva than we would be obliged to have it before the dinner.

Looking forward to hearing from you and thank you for taking the above in consideration.

Dear Dave,

I acknowledge the request and copy Betsy to indicate available slots in her agenda. As our schedule is mega booked I would propose a talk before the dinner.

Best regards,

Galia

Dear Galia,

Hope this email finds you well.

Please be kindly informed that on behalf of Mark we would like to set-up a meeting between Ms. Georgieva and Mr. Ursula Burns (Chairman of VEON) & Mr. Jean-Yves Charlier (CEO of VEON) at Davos.

Could you please be so kind to inform me if Ms. Georgieva's schedule allows her to meet with Ms. Burns and Mr. Charlier? Please be informed that Ms. Burns will be in Davos from 24-25 January.

Looking forward to hearing from you and thank you in advance for your kind help.

With kind regards and wishing you a lovely weekend,
