Study Visit to Korea

WORLD BANK GROUP

Objective

- Share Korea's experience in SOE governance, fiscal risk management, and performance oversight to strengthen policy design and implementation capacity.
- Go beyond knowledge sharing to draw practical action-oriented reform strategies

Core Activities

(One-week,
intensive program)

- Thematic sessions on SOE governance, fiscal risk management, Performance evaluation, and Climate Sustainability, etc.
- Field visits to MOFE, KIPF, and selected SOEs
- Knowledge exchange through expert roundtables and peer learning among participating countries.

Target Participants and Cohort

- 3–4 countries, with about 4–5 participants per country.
- Officials from ministries of finance/economy, SOE oversight bodies, and senior practitioners from major SOEs.

Pilot Program

- July, 2026
- Cambodia, Lao PDR, Malaysia(Sarawak)
