

CPI-ICP Integration Questionnaire

Preliminary Analysis of Responses

D.S. Prasada Rao
The University of Queensland and
Hitotsubashi Institute for Advanced Study (HIAS)

Background

- **At the last Task Force Meeting and the subsequent TAG meeting it was agreed that we will conduct a quick survey of participating countries to see the current level of integration of CPI and ICP activities.**
- **A short questionnaire was drafted and fillable PDF Version was sent to countries participating in 2017 ICP.**
- **Questionnaire was sent to Regional Implementing Agencies on 24th August, 2018**
- **111 responses have been received – roughly 67.4% response rate.**

Survey Results

Distribution of responses to questionnaire by ICP Region

	No. of responses	Response rate
Total	111	67.3%
Africa	22	44.0%
Asia	22	100.0%
CIS	8	100.0%
