Clausen Papers - General Correspondence - Correspondence 03

AMNESTY INTERNATIONAL is a worldwide movement which is independent of any government, political grouping, ideology, economic interest or religious creed. It plays a specific role within the overall spectrum of human rights work. The activities of the organization focus strictly on prisoners:

- It seeks the release of men and women detained anywhere for their beliefs, colour, sex, ethnic origin, language or religion, provided they have not used or advocated violence. These are termed "prisoners of conscience".
- It advocates fair and early trials for all political prisoners and works on behalf of such persons detained without charge or without trial.
- It opposes the death penalty and torture or other cruel, inhuman or degrading treatment or punishment of all prisoners without reservation.

AMNESTY INTERNATIONAL acts on the basis of the United Nations Universal Declaration of Human Rights and other international instruments. Through practical work for prisoners within its mandate, Amnesty International participates in the wider promotion and protection of human rights in the civil, political, economic, social and cultural spheres.

AMNESTY INTERNATIONAL has more than 500,000 members, subscribers and supporters in over 150 countries and territories, with over 3,000 local groups in more than 50 countries in Africa, Asia, Europe, the Americas and the Middle East. Each group works on behalf of at least two prisoners of conscience in countries other than its own. These countries are balanced geographically and politically to ensure impartiality. Information about prisoners and human rights violations emanates from Amnesty International's Research Department in London. No section, group or member is expected to provide information on their own country, and no section, group or member has any responsibility for action taken or statements issued by the international organization concerning their own country.

AMNESTY INTERNATIONAL has formal relations with the United Nations (ECOSOC), UNESCO, the Council of Europe, the Organization of American States and the Organization of African Unity.

AMNESTY INTERNATIONAL is financed by subscriptions and donations of its worldwide membership. To safeguard the independence of the organization, all contributions are strictly controlled by guidelines laid down by the International Council and income and expenditure are made public in an annual financial report.
