Subject: Confirmation of dinner in Davos

Dear Kristalina,

I hope you are getting some rest, as I know from your Twitter feed that you have had an intense travel schedule recently. I'm writing this somewhere over the Black Sea on my way to Yerevan for meetings, and then to Moscow. As per our exchanges last week, I am delighted that you can once again attend the dinner in Davos as a guest of honour. The theme of the dinner will be '*Empowering Women in Pursuit of Inclusive Growth*', in harmony with the theme for this year's WEF meeting, '*Creating a Shared Future in a Fractured World*'. The dinner will be on Wednesday January 24 at 8pm.

The dinner will take place in the Grischia Hotel, as last time, but with a larger room, with around 60 guests for dinner. I am putting together a guest list of prominent women and men from politics, NGOs, academia, business and media. The host will be Ursula Burns, former CEO of Xerox, and currently Chairman of VEON, and a member of the boards of Nestlé, American Express, Exxon Mobil, Uber, and is a trustee of the Mayo Clinic.

Please let me know if there are people you would also like to invite to the dinner. Happy to chat over the phone, and I will most likely be in Washington DC between now and the Davos meeting.

All my very best regards, as always, and a belated happy one-year anniversary in your role.

Mark
