BLENDED FINANCE FOR REFUGEES

AUTHOR: *François de Borchgrave, Managing Partner, KOIS*

KOIS, an international blended finance advisory firm headquartered in Brussels, is launching the 'Refugee Livelihoods Development Impact Bond' for Syrian refugees and affected host community beneficiaries in Jordan and Lebanon. The capital at-risk will be used to fund skilling programs over three years, to be delivered by selected NGOs Near East Foundation (NEF) and SPARK to 11,000 refugees and host community beneficiaries towards small business and job creation in Jordan and Lebanon. If the DIB-funded programs deliver maximum outcome targets, social investors will earn up to an 8% IRR, 5 to 6,000 sustainable home-based enterprises and jobs will have been created, and household spending on basic needs such as food, children's education and health will have increased by up to 22%.
