

## **New Kiwi Career Success: Employment opportunities for migrants and refugees by Auckland Business Chamber and Immigration New Zealand**

*Author: Michael Barnett, Auckland Chamber of Commerce, New Zealand*

The Auckland Business Chamber are strong advocates of equal opportunities and diversity in the workplace. [New Kiwi Career Success](#) is a programme that supports migrants and refugees who have recently arrived and/or those that have been here for a while but are struggling to secure employment. The objective is to provide migrants and refugees the tools to job search effectively in New Zealand and support them at an earlier stage of their settlement for a sustainable future.

The impacts of COVID-e19 on the New Zealand labour market has been profound and likely to be disproportionately difficult for migrants and refugees. However, there are businesses with a heavy reliance on international staff who are struggling with access due to border restrictions.

New Kiwis Website is a service that provides online recruitment support for employers within New Zealand and for migrants and refugees who are seeking employment. Anybody can register on the New Kiwis website locally or globally for free. The New Kiwis service for migrants and refugees is to increase a better awareness in the New Zealand employment culture, and support them into our businesses and communities. Each year, about 700 new migrants are placed into employment.
