

# **Planning for the 2023 governance activities and ICP 2021 cycle release**

**International Comparison Program (ICP)  
Inter-Agency Coordination Group (IACG) Meeting**

A faint, dotted world map is visible in the background of the slide. The map is composed of small grey dots that form the outlines of continents. The text is centered over this map.

**SESSION 13:  
PLANNING FOR THE 2023 GOVERNANCE  
ACTIVITIES AND ICP 2021 CYCLE RELEASE**

# Introduction

## Technical Advisory Group (TAG)

- Key objective of the next meeting is to review of draft results and continuous assessment of CIS-linking and COVID-19 impact
- Next meeting originally scheduled for Spring / Summer with the assumption of availability of draft 2021 results
- **Q:** A possible option is to reschedule the next meeting to Fall 2023, possibly to be held back-to-back with the IACG meeting?
- **Governing Board**
  - Next meeting scheduled for end-2023
- **United Nations Statistical Commission**
  - Report (for discussion) by November 2023 / Commission meets Q1 2024

# Operational Activities

## Data submissions

- **Rolling data submissions** as new and/or revised data becomes available
- Continuous global validation / results assessment
- Next “formal” data submission **August / September 2023**

## Operational clinics

- Arranged virtually as needed

## ICP 2024 cycle preparations

- Next topic...
- **Q: Anything else? [housekeeping: IACG regional presentations]**

A globe composed of numerous small, square images, each depicting a different scene or object, such as a car, a cup of coffee, a bicycle, a person, and various food items. The globe is positioned in the center of the slide, set against a background of a world map rendered in a dotted, halftone style. The overall color palette is light and airy, with a teal accent at the top right.
