

GLOBAL TECH CHALLENGE

Solutions for Women

AMBASSADORS

Sonia Jorge

Executive Director, A4AI

Head of Digital Inclusion, Web Foundation

An expert in the confluence of development and communications policy, Sonia has over 25 years of diverse international experience in a career spanning both the private and not-for-profit sectors and has worked in over 40 countries around the globe. As an expert consultant, Sonia lead numerous digital development projects in several countries and international organizations, such as the World Bank, UNDP and UN Women, and for private sector companies. Sonia is a frequent speaker at international, regional and national events, including at the World Economic Forum, Transform Africa, Mobile World Congress, among others.

Her work has included ICT policy and regulatory advice and analysis, strategic industry planning, and national ICT/broadband policy development. Sonia is an avid advocate of gender equality in development and has worked extensively to promote gender analysis and awareness in the ICT planning process, as well as an understanding of the importance of universal access and digital inclusion for development.

She is fluent in Portuguese, Spanish and English, and holds both a Master's in Public Policy from Tufts University and a BA/BS in Economics and Business Finance from the University of Massachusetts.
