\*Defined preventive care services will be provided at 100% when an In-Network physician or facility is used (a referral is received for those in Option C). Defined preventive services are determined by gender and age and recommendations may change from time to time. Always check the most recent recommendations with your Insurance Administrator and discuss them with your doctor.

**For 2023 Prescription Drug benefits, please refer to the separate pharmacy benefit reference guide available on the [MIP web page](#)**

Note: For International Option participants, the U.S. pharmacy benefit manager will send a record of U.S. network pharmacy purchases to Cigna after the end of the plan year for reconciliation. International Option participants who met their medical out of pocket maximum and who also had U.S. pharmacy out of pocket expenses during the same plan year will receive reimbursement for the out of pocket U.S. pharmacy costs from Cigna after reconciliation.
