

SACIDS

Africa Center of Excellence for
Infectious Diseases of Humans
and Animals in Eastern and
Southern Africa

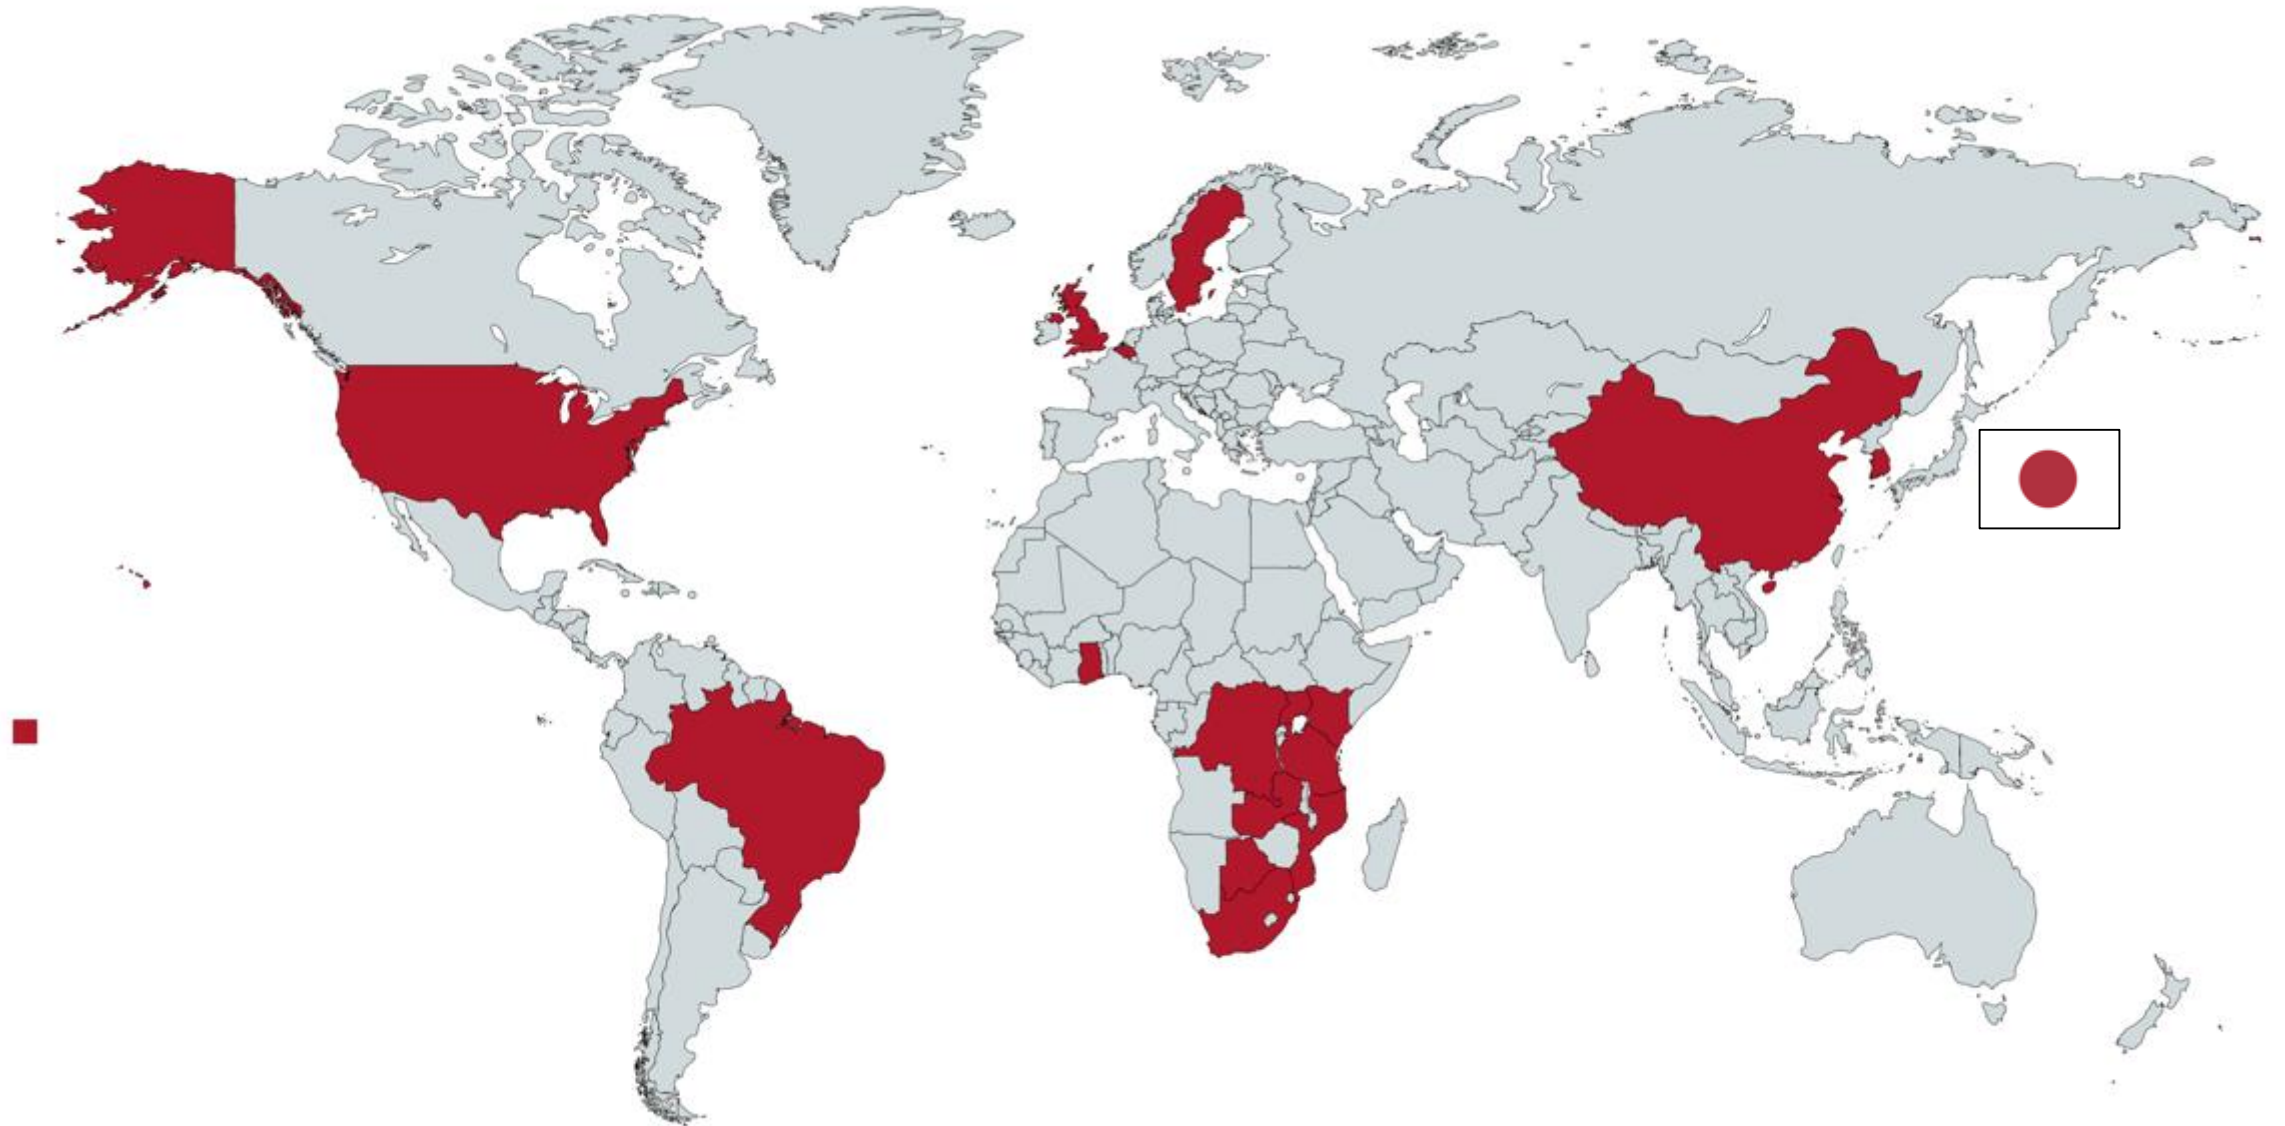

A One Health Partnership

SACIDS Vision

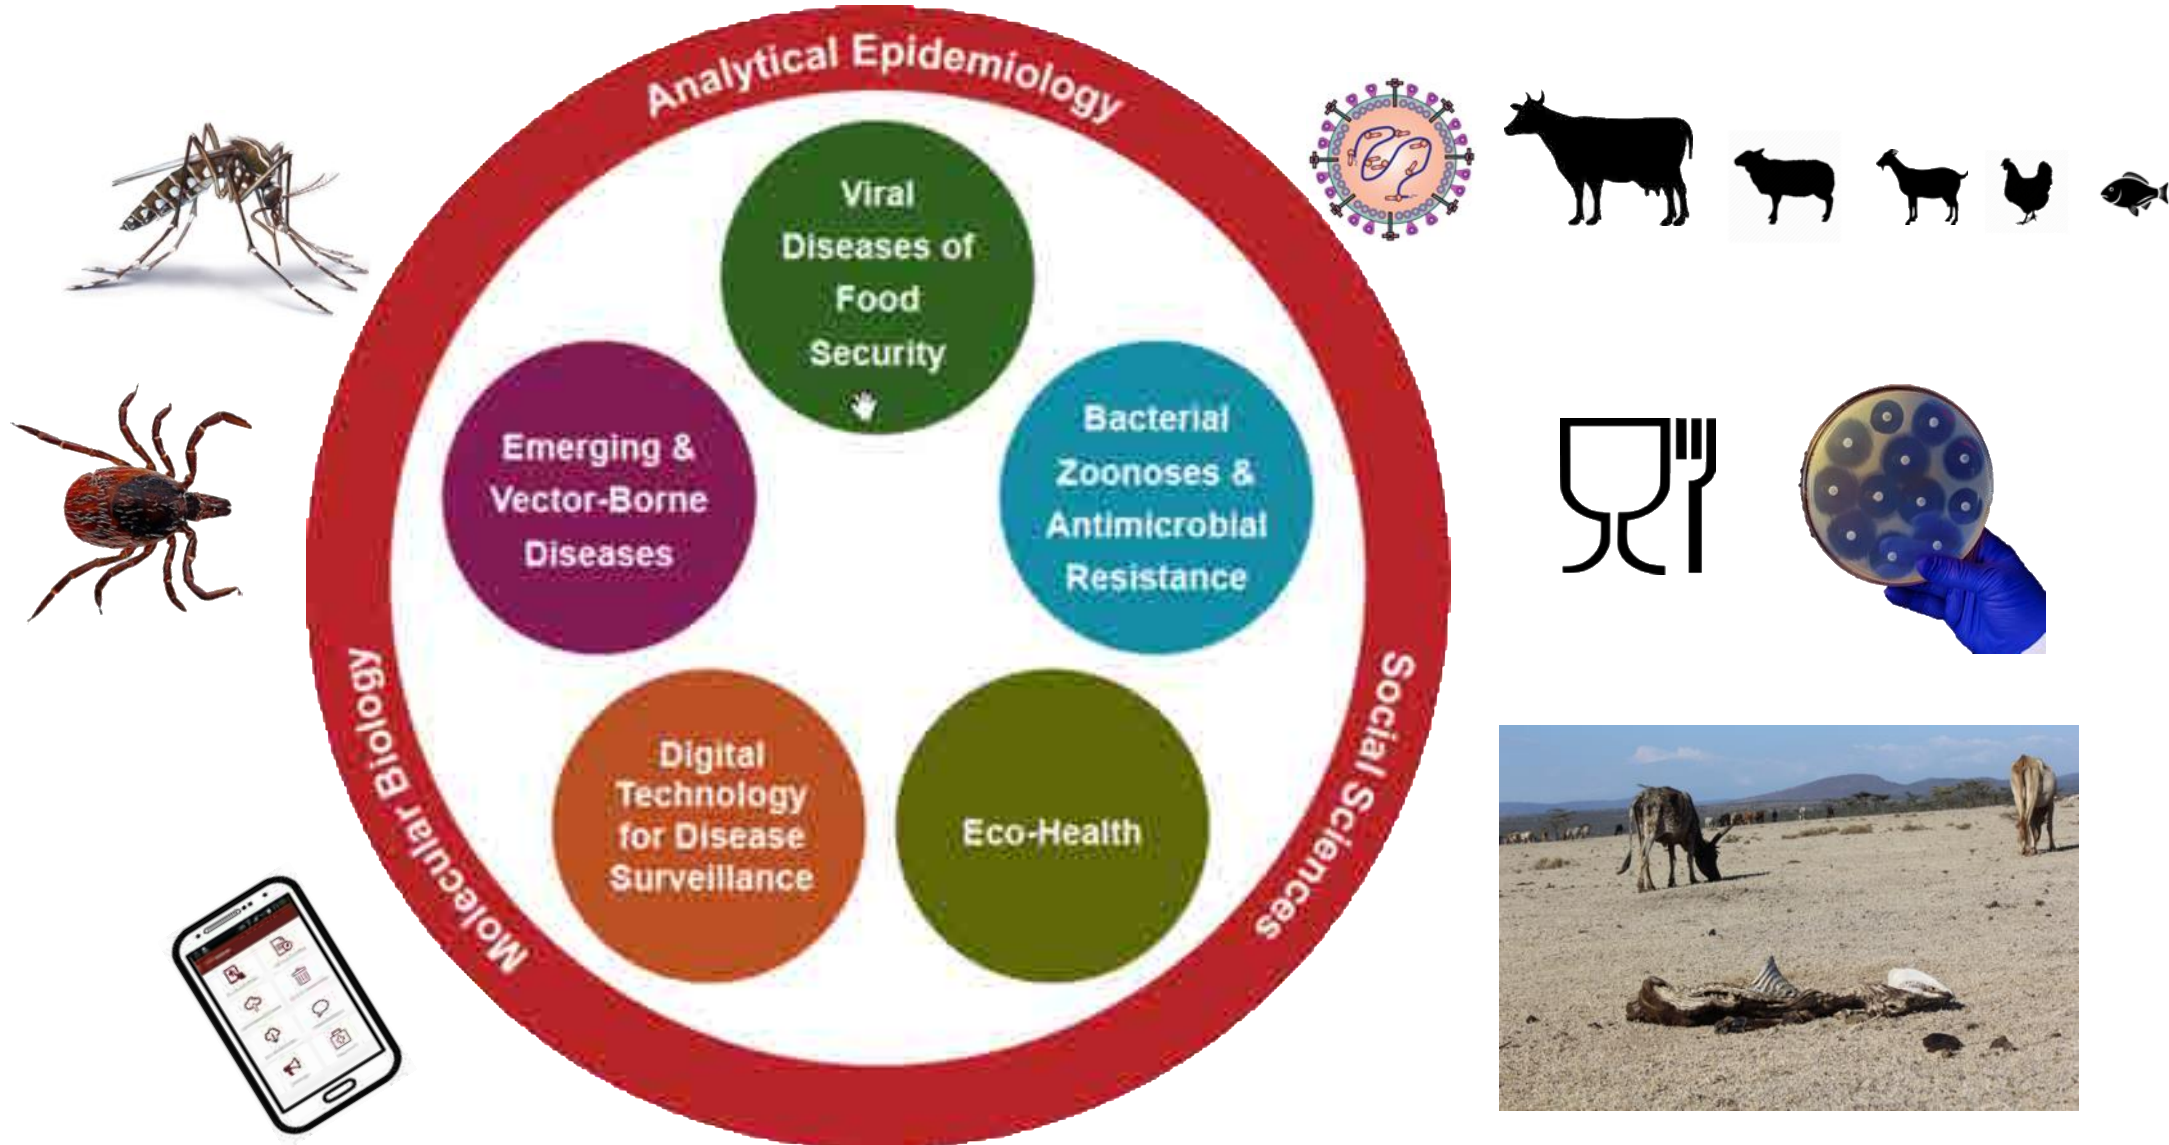

An African society
protected from
devastating infectious
diseases affecting the
health of humans,
animals and
ecosystems

Evolved into: A South-South-North Smart Partnership

Smart Partnership Underpins the Community of Practice Strategy

Joint SACIDS-ACE and IPMB Alumni meeting

at the Sokoine University of Agriculture
JULY 22 - 26, 2018

Edson Kinimi
