

PROJECT SUMMARY

Uganda

PROJECT NAME

Institutional Mainstreaming and Accelerating Climate Action

GRANT OBJECTIVE AND ACTIVITIES

The project supports the implementation of Uganda's NDC Partnership Plan, focusing on actions to mainstream climate and disaster risk screening in development planning by customizing priority sector tools and helping with their implementation. It also provides technical assistance for pipeline development by supporting investment priorities and a coordination mechanism for streamlining climate change projects and leveraging climate finance. As parallel support, the World Bank is supporting the design and implementation of a Climate Change Budgeting Tagging and Expenditure Tracking Tool.
