

GPP MDTF Results Framework

Results	Key Performance Indicators	Targets
Outcome 1: Global standards and models lead to modern, effective and transparent procurement systems.		
OI-1	Increased coordination of donor and government resources on procurement	By 2020, at least 3 donors and 5 governments join GPP By the end of the program, at least 5 donors and 15 countries join GPP
OI-2	<u>No. of countries that use MAPS II</u>	By 2019, MAPS Secretariat is operational ¹ By 2019, at least 2 new MAPS II modules developed; MAPS II tool tested and piloted in at least 3 countries By the end of the program, at least 20 countries have used MAPS II
OI-3	No. of country PFM action plans that integrate procurement reform actions (to demonstrate use of procurement reform approaches)	By the end of the program, at least 10 new PFM action plans identify procurement actions; overall increase in WB lending/ASA portfolio with objectives of improving procurement systems
Outcome 2: Development of Country Capacities for Better Procurement Systems		
OI-4	No. of countries (disaggregated by income classification/type) have enhanced procurement systems using results of assessment (MAPS)	By the end of the program, at least 6 countries with enhanced systems (2 LICs, 2 MICs, 2 FCS)
OI-5	No. of government procurement systems with increased competition	By the end of the program, at least at least 6 countries (2 LICs, 2 MICs, 2 FCS) with more competitive procurement (baseline-dependent)
OI-6	Documented instances of stakeholder engagement leading to efficiency or corruption "fixes"	By the end of the program, at least 5 documented instances of effective stakeholder engagement (of which 1 is citizen participation, 1 private sector/PPP, 1 government open data and/or analytics)
Outcome 3: Systematic Learning and Research on Impact of Procurement Reform Approaches		
OI-7	New evidence on value of procurement reform generated	By 2019, 2 impact/research reports delivered and shared widely By the end of the program, 4 impact/research reports delivered and shared widely
OI-8	No. of cross-country knowledge-sharing events/projects	By 2020, at least 2 cross-country knowledge-sharing events By the end of the program, at least 1 regional/global mechanism for knowledge-sharing established (in addition to GPP)
Outcome 4: Increased funding support to global procurement topics		
OI-9	Total amount raised beyond initial funding commitments	By the end of the program, at least additional \$10M raised for global procurement topics

¹ Funded through contributions from AFD
