Objectives of ICP 2011

Michel Mouyelo-Katoula
Global Manager
International Comparison Program

Executive Board Meeting
October 14, 2009
Washington DC
Outline

1. Objectives and Strategies
2. Expected Results
3. Methodologies and Procedures
4. Learn From the Past & Improve
5. Main Program Areas
Objectives and Strategies

Objectives

- Implement UNSC Recommendations
- Meet Users’ Needs
- Reach out to Users
- Meet Global Demand for PPP-adjusted Statistics

Strategies

- Through collaborative endeavor
- Having regular meetings & exchanges
- Involving users throughout the ICP span
- Increasing economic relevance
- Improving methods and processes
- Pursuing research and introducing innovations
- Enhancing capacity building
Expected Results

Main results
- PPP results at regional level for 2011
- PPP results at global level for 2011
- Poverty PPPs

Other results
- Improved GDP expenditures statistics
- Improved methodologies
- Learning material
- ICP book
- ICP Data Quality Framework
- ICP software suite
- ICP databases and metadata repositories
Methodologies and Procedures

- Learn from the past & improve
- Introduce National Accounts work
- Regional and global lessons
  - Take stock of what went well?
  - Identify what needs to be improved?
  - Undertake further research
- Enhance NA–Prices consistency
  - Delineate the SNA aspects relevant to ICP
  - Describe NA tasks to be undertaken
  - Develop NA based validation processes
Learn From the Past & Improve

Quality of 2005 Method

Effective

Review Survey Tools

To be improved

Improve Method

Not effective

Apply 2005 Method

Research

Deploy

Develop Survey Tools
