Director, Office of Population
United States International
Development Cooperation Agency
Agency for International Development
Washington, D.C. 20523

Dear Steve:

Thank you for your letter of August 12, 1983 inviting us to participate in the Expert Meeting on Demographic and Family Planning Data Collection at the National Academy of Sciences in Washington on September 21-22.

We are pleased to accept your invitation and propose to send Mrs. N. Maraviglia, Senior Population Specialist, and Mrs. Althea Hill, Demographer, to attend on our behalf. As you know, I shall be away from Washington on home leave at that time.

I hope your deliberations will be fruitful as I appreciate the critical importance of the topic.

Sincerely,

John B. North
Director
Population, Health and Nutrition Department
