

Civil Society Policy Forum Panel: How LGBTQI+ People are Impacted by World Bank Projects – April 14, 2023.

World Bank U.S. Executive Director Dr. Adriana D. Kugler, (second left) with Juan Pablo Uribe, Global Director for Health, Nutrition, and Population and the Global Financing Facility, World Bank, (second right) Rachel Burton, Director of Social Inclusion, BIC

The U.S. Executive Director Dr Adriana Kugler moderated this Civil Society Policy Form (CSPF) panel on LGBTQI+ inclusion in World Bank projects. The Panel discussed how LGBTQI+ people can realize benefits and avoid harm from World Bank projects.

Dr. Kugler voiced strong U.S. support for LGBTQI+ inclusion; provided an overview of U.S. priorities for advancing LGBTQI+ inclusion at the World Bank; and sought feedback from CSO partners on what more the Bank can do to include LGBTQI+ individuals in projects.
