Note: You can obtain services via the Cigna network if you or a covered family member need medical care while visiting the U.S. MIP participants who have selected Cigna International as their medical claims administrator have access to the Cigna Health Care OA Plus provider network in the U.S. While it is not mandatory to use a Cigna network provider, you are likely to pay more for your health care if you choose not to use a network provider and use a provider of your choice. While the vast majority of U.S. providers are paid directly by Cigna, you may need to submit claims for reimbursement from some providers to Cigna for processing.
