

Invitation to a Virtual Vendor Day for the Suavanao Airfield Runway Pavement and Associated Upgrading Works – Second Solomon Islands Roads and Aviation Project (SIRAP2, P176548)

Organized by SIRAP2 and Ministry of Communication and Aviation (MCA)

Date & Time: October 17, 2025, 2025, 14:00-15:00 local Honiara time

Location: Virtual meet.google.com/gow-tifm-fpj

We are pleased to invite you to our **Early Market Engagement Event for the Suavanao Airfield Runway Pavement and Associated Upgrading Works**. We are keen to connect with your company to learn more **about** your expertise in runway construction and rehabilitation.

During this session, we will present the upcoming Suavanao Airfield Runway Pavement and Associated Upgrading Works tender in Solomon Islands financed by the World Bank and implemented by the Ministry of Communication and Aviation (MCA). This project is part of the Second Solomon Islands Roads and Aviation Project (SIRAP2, P176548) that aims to improve the climate resilience and safety of the Recipient's road and aviation sectors through four components: (i) Climate Resilience and Safety Investments in the Aviation Sector, (ii) Climate Resilience and Safety Investments in the Road Sector, (iii) Institutional Strengthening and Project Management, and (iv) Contingent Emergency Response. You can access the project website: [Development Projects : Second Solomon Islands Roads and Aviation Project - P176548](#)

The Early Market Engagement Event will be supported by the SIRAP2 Project Support Team (PST). The Runway Pavement and Associated Upgrading Works will improve the operational safety and climate resilience of the runway at **Suavanao Airfield**, and it will support Solomon Islands to comply with International Civil Aviation Organization (ICAO's) Standards and Recommended Practices (SARPs).

The activities under the Suavanao Airfield Runway Pavement and Associated Upgrading Works will include:

- Runway sealing and extension
- Apron and taxiway construction and sealing
- Drainage works
- Airfield ground lighting
- Airfield line markings
- A small terminal building

By participating in this Early Market Engagement Event, your company will have the opportunity to learn more about the upcoming tender and other business opportunities available under the project.

Event Details:

- **Date:** October 17, 2025
- **Time:** 14:00-15:00 local Honiara time
