**Subject:** Comments : Recommendations for the Financial Intermediary Fund (FIF) for Pandemic Prevention, Preparedness and Response (PPR)

[External]

Hi everyone

I greet you. On behalf of Platform for ACT-A Civil Society and Community, I share with you my comments on the Proposed Financial Intermediary Fund (FIF) for Pandemic Prevention, Preparedness and Response Hosted by the World Bank.

I propose you grant great importance on the implication of civil society organizations and the communities because they represent the heart of the world populations.

Best reception.
