Effective fiscal 2021, the Africa Region was reorganized into two Regions, Eastern and Southern Africa and Western and Central Africa, and prior period numbers have been reclassified accordingly. Regional operations are not divided by country and may include financing to countries in different Regions.

Because lending commitments for individual operations can be applied to multiple theme categories, figures organized by theme do not add up to fiscal year commitment totals, and therefore theme figures should not be summed.

Disbursements are made to the individual countries; and principal, interest, and charges are billed to the individual countries. Repayments are made by the individual countries and also include payments from donors under debt service trust funds or debt relief under HIPC and the Multilateral Debt Relief Initiative (MDRI). Disbursements are made to the individual countries; and principal, interest, and charges are billed to the individual countries. Repayments are made by the individual countries and also include payments from donors under debt service trust funds or debt relief under HIPC and the Multilateral Debt Relief Initiative (MDRI). Regional operations are not divided by country, are not counted as commitments to the individual countries involved, and may include financing to countries in different Regions. Effective fiscal 2021, the Africa Region was reorganized into two Regions, Eastern and Southern Africa and Western and Central Africa. For comparability, multi-country operations in these Regions are reported as "Africa (regional)." OECS = Organisation of Eastern Caribbean States.

Effective fiscal 2005, lending includes guarantees and guarantee facilities. IDA figures exclude a Pandemic Emergency Financing (PEF) grant of \$50 million in 2017. Excludes IFC-MIGA PSW activities.
