| SAR    | Pakistan  | <b>National Health Support Program-for-Results</b> strengthens equitable delivery and quality of essential health services at the primary health care level in support of universal health coverage.                                    | P172615    | 6/7/2022         | 2027 / 2052                           | c              | PforR                | -                    | -                              | 258  | 192        | -                      |                                |
| SAR    | Pakistan  | <b>Khyber Pakhtunkhwa Rural Accessibility Project</b> improves safe and climate-resilient rural accessibility to schools, health facilities, and markets in selected districts of Khyber Pakhtunkhwa.                                   | P177069    | 6/9/2022         | 2027 / 2052                           | c              | IPF                  | -                    | -                              | 300  | 217        | -                      |                                |
| SAR    | Sri Lanka | <b>COVID-19 Emergency Response and Health System Preparedness Project (Third Additional Financing)</b> prevents, detects, and responds to the threat posed by COVID-19 and strengthens national systems for public health preparedness. | P177714    | 9/24/2021        | 2027 / 2039                           | l              | IPF                  | Yes                  | -                              | 100  | -          | -                      |                                |
| SAR    | Sri Lanka | <b>Inclusive Connectivity and Development Project</b> provides safe, efficient, and climate-resilient connectivity and strengthens agricultural supply chains to empower project communities in selected districts.                     | P176164    | 9/30/2021        | 2032 / 2049                           | l              | IPF                  | -                    | -                              | 500  | -          | -                      |                                |

**Notes:** Numbers may not add to totals because of rounding. AFE = Eastern and Southern Africa; AFW = Western and Central Africa; c = IDA credit; DPF = Development Policy Financing; EAP = East Asia and Pacific; ECA = Europe and Central Asia; g = IDA grant; l = IBRD loan; IPF = Investment Project Financing; LCR = Latin America and the Caribbean; MNA = Middle East and North Africa; PforR = Program-for-Results; SAR = South Asia; - = not applicable. For more detailed information, see [www.worldbank.org/projects](http://www.worldbank.org/projects).

a. Maturity dates are the earliest and latest repayment dates for the corresponding lending instruments committed for an operation.

b. Financing provided by trust funds administered by the World Bank.

c. Principal amounts show the combined totals for the loans, credits, grants, or guarantees committed for an operation, unless otherwise indicated.

d. IDA funds are denominated in Special Drawing Rights (SDRs), which are valued on the basis of a "basket" of currencies. The U.S. dollar equivalent of the SDR amount reflects the exchange rates in effect at the time of the negotiations of the credit or grant.

1. Includes credits to the Republic of Kenya, the Republic of Rwanda, and the United Republic of Tanzania, and grants to the Republic of Rwanda, the East African Community, and the African Union.
