

Civil Society Policy Forum On The World Bank's GBV/SEA Reforms – October 13, 2022.

Dr. Kugler moderated this event with CSOs on preventing child sexual exploitation and abuse and sexual harassment (SEA/SH) in World Bank projects. She highlighted the World Bank's progress on prioritizing child protection in and around its projects and discussed opportunities to improve the World Bank's efforts in this area, emphasizing the importance of ensuring that SEA/SH prevention measures in project documents are met with robust project implementation and supervision at the country level.
