

FLAGSHIP INVESTMENT LIST

Country	Focus Costors	Name	Size \$M	Investor Country	Project Category	Status
Country Benin	Focus Sectors Education	Establishment of an International knowledge and innovation City	700.0		Pipeline	Starting of the first stage
Benin	Tourism	Identical reconstruction of the Historical City of Ouidah	400.0	Trance / Crima / World Balik / IDB	Pipeline	Studies in progress # sourcing for partners
Benin	Tourism	Transform Avlékété into a seaside resort	335.0		Pipeline	Studies in progress # sourcing for partners
Dellill	Tourism	Moringa partnership		France	Implementation	The investment fund announced in January 2017 to have invested \$ 5 million in Tolaro Global,
Benin	Agriculture			T Color		the leader in the processing and export of cashew nuts in Benin. Tolaro Global will increase its production to 20,000 tons by 2021, versus 2,500 tonnes in 2016. An additional \$ 3 million investment was announced in March 2018. The dehulling plant (usine de deforticage), located in Parakou, in northern Benin, is expected to be expanded, and a new roasting and seasoning plant has been built. The company will be the first in West Africa to export African, 100% locally-roasted and salted cashews
Benin	Agriculture	Development of the Continental Aquaculture (Planning 500 ha of shallows)	110.0		Pipeline	Studies in progress # sourcing for partners
Benin	Agriculture	National Program for the Development of the Rice Sector	32.0		Pipeline	Available study. Sourcing for partners
Benin	Agriculture	National Program of Development of the cashew nut sector	15.0		Pipeline	Available study. Sourcing for partners
Benin	Agriculture	Development of the lower and middle Ouémé valley	242.0		Pipeline	Studies in progress # sourcing for partners
Benin	Agriculture	National Program for the Development of the Pineapple sector	33.0		Pipeline	Available study # Sourcing for partners
Benin	Agriculture	Agricultural Service Development Program for the Promotion of Value Chains	10.0	Israel	Pipeline	Availability of Studies. Partial funding
Benin	Infrastructure	Construction of Abomey-Calavi University Hospital Center	-	France	Pipeline	Finalization of PPP contracts in progress
Benin	Infrastructure	20,000 social and economic housing construction program	580.0	WADB	Pipeline	Availability of Studies. Partial funding. Sourcing for PPP partnership for 2nd stage
Benin	Infrastructure	A ministerial city construction program in Cotonou	66.0		Pipeline	Studies in progress # sourcing for partners
Benin	Infrastructure	An administrative city construction program in Abomey-Calavi	<u> </u>		Pipeline	Studies in progress # sourcing for partners
Benin	Infrastructure	Construction of a Maritime Business Center	38.0		Pipeline	Studies in progress # sourcing for partners
Benin	Infrastructure	consortium of MAN Diesel & Turbo and Baumeister & Wain Scandinavian Contractor (127 MW		Germany, Denmark: Wain	Pipeline	
		duel fuel power plant in Cotonou, "Maria Gleta" plant)	-	Scandinvian Contractor		Commissioning of the plant in first half of 2019
Benin	Infrastructure	Innovent	10.0	France	Implementation	IPP (independant power producer) on a 5 MW solar power plant located in Djougou (northern Benin): project signed in November 2015, started in 2016, and finalized in June 2018.
Benin	ICT	High/ultra-high speed Internet	598.0	China/France	Pipeline	The start of work
Benin	іст	Setup of a smart administration "Smart governance"		France/Netherland	Pipeline	The start of work
Benin	Transport & Logistics	construction of a New International Airport in Glo-Djigbé	964.0			
Benin	Transport & Logistics	Construction of the road route des pêches 23 km (2nd stage)	62.0	China		
Benin	Transport & Logistics	Modernisation and expansion of the port of Cotonou	913.0			
Benin	Transport & Logistics	contruction of North and Cotonou bypass road with a new bridge on the Lake Nokoué	628.0		Pipeline	Three prequalified dealers. Call for tenders in progress
Benin Benin	Transport & Logistics	Sèmè-Kpodji crossroads and Porto-Novo motorway with a new bridge on the Porto-Novo lagoon	111.0 206.0	Denmark	Pipeline Pipeline	Ongoing discussions (PPP set-up)
Benin	Energy Energy	120 MW IPP1-dual-fuel (Gaz & HFO) private power plant 20 MW IPP1-dual-fuel (LPG & Gaz Naturel) private power plant		New Zealand	Pipeline	finalization of contracts in progress
Benin	Energy	Floating Storage and Regasification Unit (FSRU) of Liquefied Natural Gas	150.0	New Zealand	Pipeline	finalization of contracts in progress Statement of work in progress- sourcing for partners
Benin	Energy	Hydroelectric dam of Vossa on The Ouémé Valley of 80 MW	307.0		Pipeline	Studies in progress # sourcing for partners
Benin	Energy	Hydroelectric dam of Vossa on The Odeme Valley of 23 MW	248.0		Pipeline	Studies in progress # sourcing for partners
Benin	Energy	Dogo Bis 128 MW multifonctional dam	600.0		Pipeline	Studies in progress # sourcing for partners
Benin	Energy	Renewable energy power plants 35 MW	60.0		Pipeline	Studies in progress # sourcing for partners
Benin	Manufacturing	Somidiaa-Castel	30.0	France	Implementation	An investment was annouced in March 2018 by SMIDIAA: a brewery (with a processing capacity of 2000 tons of maize per year) will be created, along with a poultry complex and a manufacture of animal preparations.
Benin	Other sectors	Resilient City Development	115.0	EC	Pipeline	Lead financial institution: AECID
Benin	Other sectors	Novis GmbH		Germany	Implementation	Novis is reforming the energy sector (conversion to 100% renewable energies) for a large
benin		NOVIS GITIDIT	-	Germany	Implementation	agricultural centre
	Sub-Total:		7,732			
Cote d'Ivoire	Manufacturing	Siemens (equipment for 9 hospitals)	<u> </u>	Germany	Implementation	new office in Abidjan since October 2017
Cote d'Ivoire	Manufacturing	BASF	6.2	Germany	Implementation	In addition to marketing and sales offices, BASF also has a production facility in Cairo that produces construction chemicals for local customers.
Cote d'Ivoire	Manufacturing	Nexans	13.0	France	Implementation	Cable manufacturing (and maintenance services) plant, located in the Yopougon industrial zone. Clients will be located in Côte d'Ivoire and other WAEMU countries. Opening end 2018.
Cote d'Ivoire	Manufacturing	Merck KGaA (Regional office)	-	Germany		-
Cote d'Ivoire	Agriculture	Bacibam and Kocibam		France	Implementation	Bacibam (5 M EUR) and Koffisham (8 M EUR) will respectively create 250 and 500 jobs in banana production in Yampussoukor. These investments have made possible because of a intervention (a 2015 'FASEP' - a French Treasury Grant for studies - on securing rural land).
Cote d'Ivoire	Agriculture	BEAR Technology (Small scale, decentralized plants for cocoa processing)		Germany	Landa and delication	
Cote d'Ivoire	Agriculture	Bio Tropic (Drying and packaging plant for fruits) SATAKE CORPORATION established a sales and service office named "Satake Cote d'Ivoire" in Côte	0.6	Germany	Implementation	Drying and packaging plant for fruits; expansion (construction phase started in 2017)
Cote d'Ivoire	Agriculture	d'Ivoire.(That is a overseas representative office.)		Japan	Implementation	
Cote d'Ivoire	Infrastructure	DAI Inc. (Solar plant 64MWp, Tauber Solar, Galilea Energies)	93.0	Germany	Pipeline	MoU with Ivoirian Gov. Signed
			33.0	,	,	
Cote d'Ivoire	Infrastructure	Mobisol		Germany, Cote d'ivoire	Implementation	Mobisol and Baobab+, a principal solar distributor in West Africa, have joined hands in a partnership to boost the solar revolution in Chot d'Ivoire; Baobab+ will be distributing Mobisol's all-in-one solar system throughout the country. The cooperation combines Mobisol's strengths in provision of reliable high-tech solar hardware and innovative software solutions with Baobab+'s broad expertise in customer finance and distribution within West Africa.
L	mmasaucture	INOUISOI		1	1	

II.		1		T	1	The proof of the second
Cote d'Ivoire						The Biovéa Project consists of the construction and operation of a biomass plant (2x23 MW) with the Ivorian company SIFCA which will supply the raw material (palm: trunk and leaves) and
Cote d'Ivoire	Infrastructure	Biovea	100	France	Implementation	Meridiam which is the main shareholder. Operations will start in 2019.
Controlling Control			100.	- Germany	to de contrator	
Cote d'Ivoire	Infrastructure	Siemens (technical upgrade of a power plant)	57.		Implementation	Opened new office in Abidjan in October 2017
Cote d'Ivoire	Infrastructure	DESCO Financing Programme	57.	J EC	Pipeline	AfDB
Cote d'Ivoire	Infrastructure	Tauber Solar / Sunpower Africa Development			- "	Solar Park in the Korhogo region with an Output of 50 MW
Cote d'Ivoire	Infrastructure	Room2Run	57.	EC	Pipeline	AfDB
						Start of the project in 2016 for shared IT services for 17 Allianz companies in twelve African
Cote d'Ivoire		Allianz Africa Services (AAS), subsidiary of Allianz Africa SA			Implementation	countries ; full-time positions (FTEs) as of 01.06.2018 in Ivory Coast: 29 + 23 additional IT
cote a ivoire		Allianz Allica Services (AAS), subsidiary of Allianz Allica SA			Implementation	employees to support the companies in SSA; others to follow. EUR 8.5 million, of which EUR 2.5
	Services		9.:	Germany Germany		million in 2018; the budget is to be increased by approx. 10% annually
Controlling the		CFAO, which is wholly owned by Toyota Tsusho as a subsidiary, opened a shopping center named				
Cote d'Ivoire	Services	"PlaYce No.2" in Abidjan City.		- Japan	Implementation	
						Novis operated a pilot plant for shell fermentation at a large cocoa roaster. Based on detailed
Cote d'Ivoire		Novis GmbH				simulation calculations for a 2 MW plant, a payback period of 3.5 years and thus a rapid
cote a tronc	Other	TIONS CITIES		- Germany		amortization of the investment was determined, project start 11.2011
	Guici			Germany		As part of an investment project, Novis is preparing the construction of 2,000 apartments for
Cote d'Ivoire	Other	Novis GmbH		- Germany		doctors; joint venture with local partner company.
	Ottlei			Germany		
						For a large cocoa processor, Novis is preparing a transformation plant that converts cocoa shells
Cote d'Ivoire		Novis GmbH				into cocoa powder
	Other			- Germany		Status: Pre-Engineering
Cote d'Ivoire		Novis GmbH				Nine biogas plants are being built at primary schools in the city to produce clean cooking gas
	Other			- Germany		from large quantities of biological waste
Cote d'Ivoire	ICT	SAP		- Germany	Pipeline	Expansion plans
	Sub-Total:		427.	2		
Egypt	Energy	Zohr Upstream Field	16,000.0	Italy (ENI)	Implementation	In progress
			,,,,,			100% operator of gas field in Disouq; plans to invest a total of around 500 million US dollars in

Ethiopia	Manufacturing	Aircraft Cabin Modification GmbH		Germany	Pipeline	Together with Ethiopian Airlines (ET) AGF will manage a facility with about 100 employees. The employees come from ET, we will contribute the development, the training, the know-how, it is a matter of the facility producing according to European aviation standard (EASA) in order to produce European-certified parts in Africa. When we talk about parts, we are talking about interior parts such as seat covers (fabric/leather), curtains, carpets, overhaul of seat belts, etc. for the time being. Of course we will gradually have parts for our own needs (our customers) produced in Addis at ET.
