COUNTRY PARTNERSHIP FRAMEWORK

The Cambodia WBG Country Partnership Framework (CPF) FY2019-2023 was discussed by the Board in May 2019. The CPF supports the Government’s Rectangular Strategy Phase IV and the National Strategic Development Plan 2019-2023 and reflects a renewed medium-term partnership between Cambodia and the WBG. The CPF has three focus areas: (i) promote state efficiency and boost private sector development; (ii) foster human development; and (iii) improve agricultural productivity and strengthen the sustainable use of natural resources. A critical cross-cutting theme, which underpins reforms in all three focus areas, is that of governance, institutions and citizen engagement.
