WORLD BANK GROUP

1.世界銀行の概要

世界銀行グループとは？

189カ国加盟、アメリカのワシントンに本部

世界各地127カ所に事務所

約16000人のスタッフ、出身国は177カ国

持続可能な開発のために

世界銀行グループの目標は持続可能な開発目標（SDGs）の達成につながっています

世界銀行の二大目標

2030年までに
極度の貧困を撲滅

1日1.90ドル未満で暮らす人の割合を3%までに低減する

繁栄の共有の促進

各国の下から40%の人々の収入を増大する

持続可能な開発目標（SDGs）

2030年までに
持続可能な世界を実現

17のゴールと169のターゲット

「誰一人として取り残さない」
社会の実現

経済・社会・環境をめぐる課題に取り組む

10	Burkina Faso	41,129,330	1.85%

Climate Change

Climate change, poverty, and inequality are the defining issues of our age. The World Bank Group is the biggest multilateral funder of climate investments in developing countries. And we intend to go further in helping countries reduce poverty and rise to the challenges of climate change.

<https://www.worldbank.org/en/publication/paris-alignment/world-bank-group-sector-notes>

What is Climate Change Adaptation & Mitigation?

Climate Adaptation is the process of *adjustment to climate change and its effects*, or activities undertaken to *reduce current or future risks* posed by climate change

(Source: IPCC)

Climate Mitigation is defined as human interventions that *reduce, limit or sequester greenhouse gas (GHG) emissions* that cause global warming to prevent the planet from warming to more extreme temperatures.

(Source: IPCC)

Climate Adaptation (BB2)

気候変動への適応

Climate Mitigation (BB1)

気候変動の緩和（排出量削減）

Defining Key Terms: Climate Co-Benefits (CCB)

What are climate co-benefits?

- (i) A share of the WBG's lending that can be classified as climate finance as per the Joint MDB Methodology
- (ii) Applied to all IBRD/IDA lending operations : IPF, DPF & PforR
- (iii) Assigned at granular level and conservatively

Climate co-benefits measure “dedicated financing to climate action,” not the project’s impact or broader contribution to the country’s climate agenda.

Climate Co-Benefits 参考資料

What You Need to Know About Climate Co-Benefits

WORLD BANK GROUP

2. 世界銀行融資プロジェクトと Core Procurement Principles

CORE PROCUREMENT PRINCIPLES

a) Value for Money

The principle of value for money means the effective, efficient, and economic use of resources, which **requires the evaluation of relevant costs and benefits, along with an assessment of risks, and non-price attributes and/or life cycle costs**, as appropriate. **Price alone may not necessarily represent value for money.**

b) Economy

c) Integrity

d) Fit-for-Purpose

e) Efficiency

f) Transparency

g) Fairness

Rated Criteria – A Game Changer for Promoting Value in World Bank Procurement

- **Effective September 1, 2023**, the World Bank will require the use of Rated Criteria as the default approach for most international procurements.
- In keeping with the value-focused approach, most World Bank-financed Procurement will require the use of Rated Criteria which will promote **the inclusion of key quality and sustainability criteria rather than using just the lowest evaluated price for award decisions.**

Request for Proposals 評価方法

$$B \equiv \frac{C_{low}}{C} X + \frac{T}{T_{high}} (1 - X)$$

<https://thedocs.worldbank.org/en/doc/61a81c4c9c79428afa613f076fa8bb2e-0290032023/original/Evaluating-Bids-and-Proposals-with-Rated-Criteria.pdf>

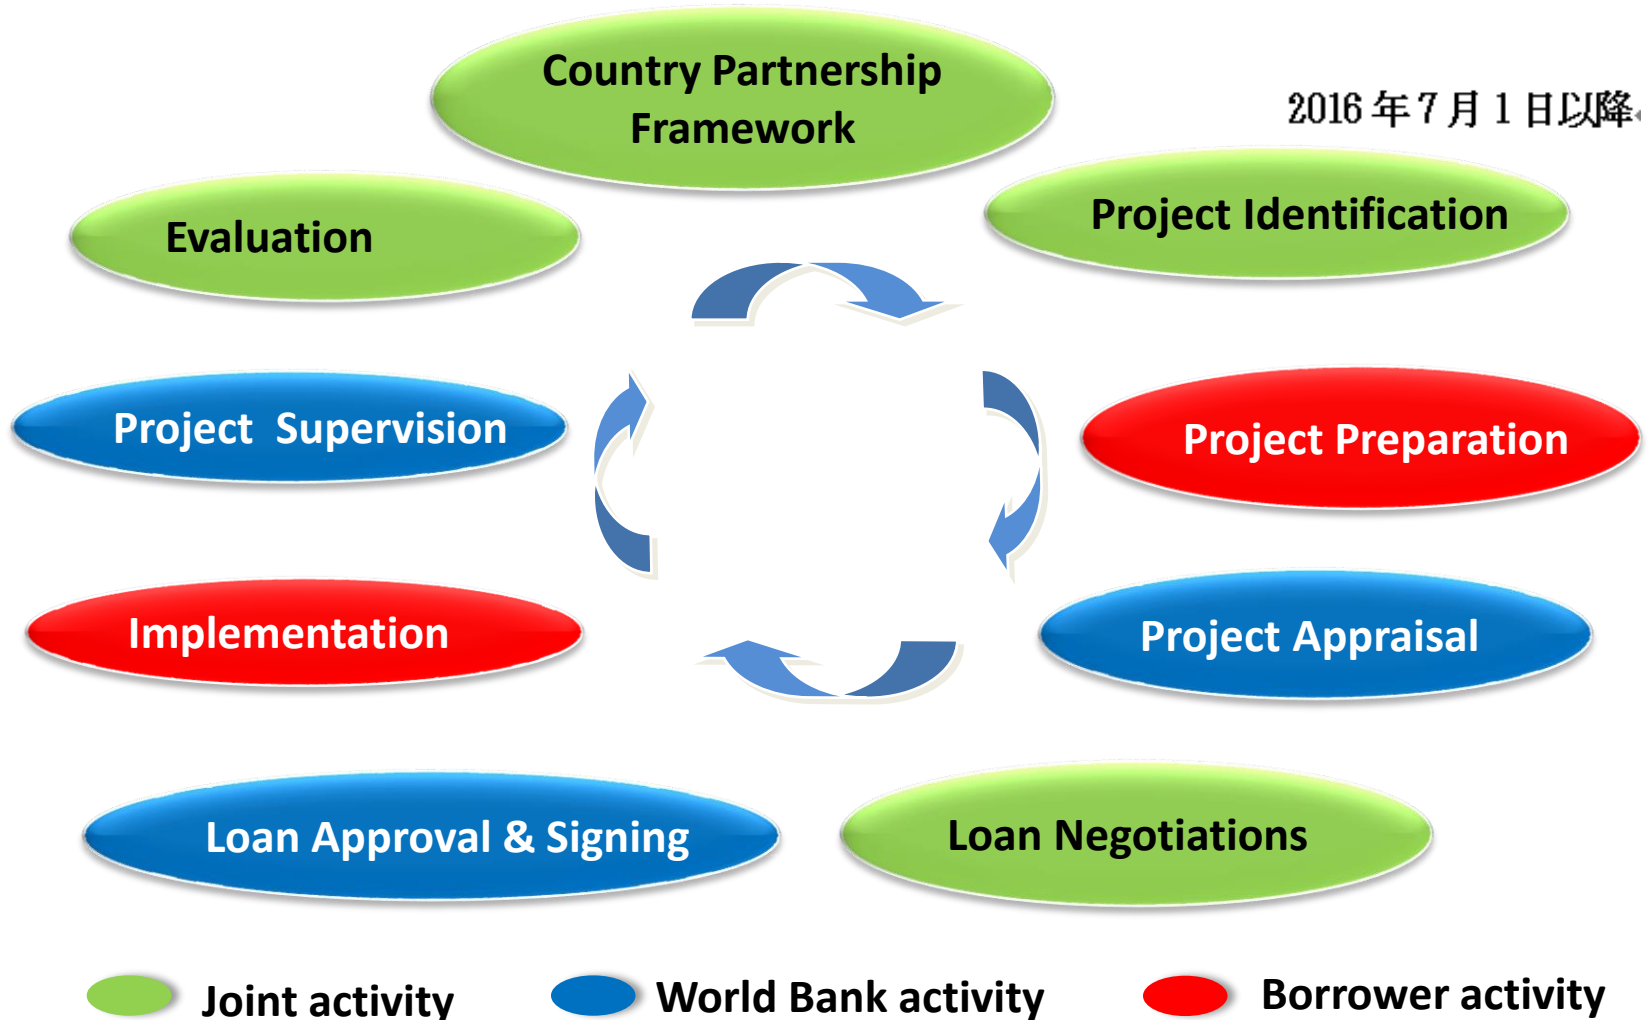

EVALUATING BIDS AND PROPOSALS

**Including Use of Rated Criteria for
Procurement of Goods, Works, and
Non-Consulting Services**

Rationale for Use of Rated Criteria (continued)

- will increase Borrowers' flexibility to procure Goods, Works, and non-Consulting Services best suited to their specific situation and provide a more fit-for-purpose approach.
- increase the willingness of the best Bidders/Proposers to Bid and participate in Bank-financed Procurements.
- contributes to successful contract outcomes and effective risk management.
- Combined with financial cost (and where appropriate, life-cycle cost formulas), applying Rated Criteria provide a truer assessment of value that focuses on quality, sustainability, and other key criteria.
- Annex includes Example Evaluation.

WORLD BANK GROUP

3. 世銀新調達フレームワークのポイント

詳細は参考資料参照

投資プロジェクト融資における調達規則(借入者用) 概要説明

第1章 はじめに

1.1 IPFプロジェクトの調達においては、持続可能な開発の推進に当たり、借入者が、Value for Money (VfM)を公正な形で確保できるようにしなければならない。

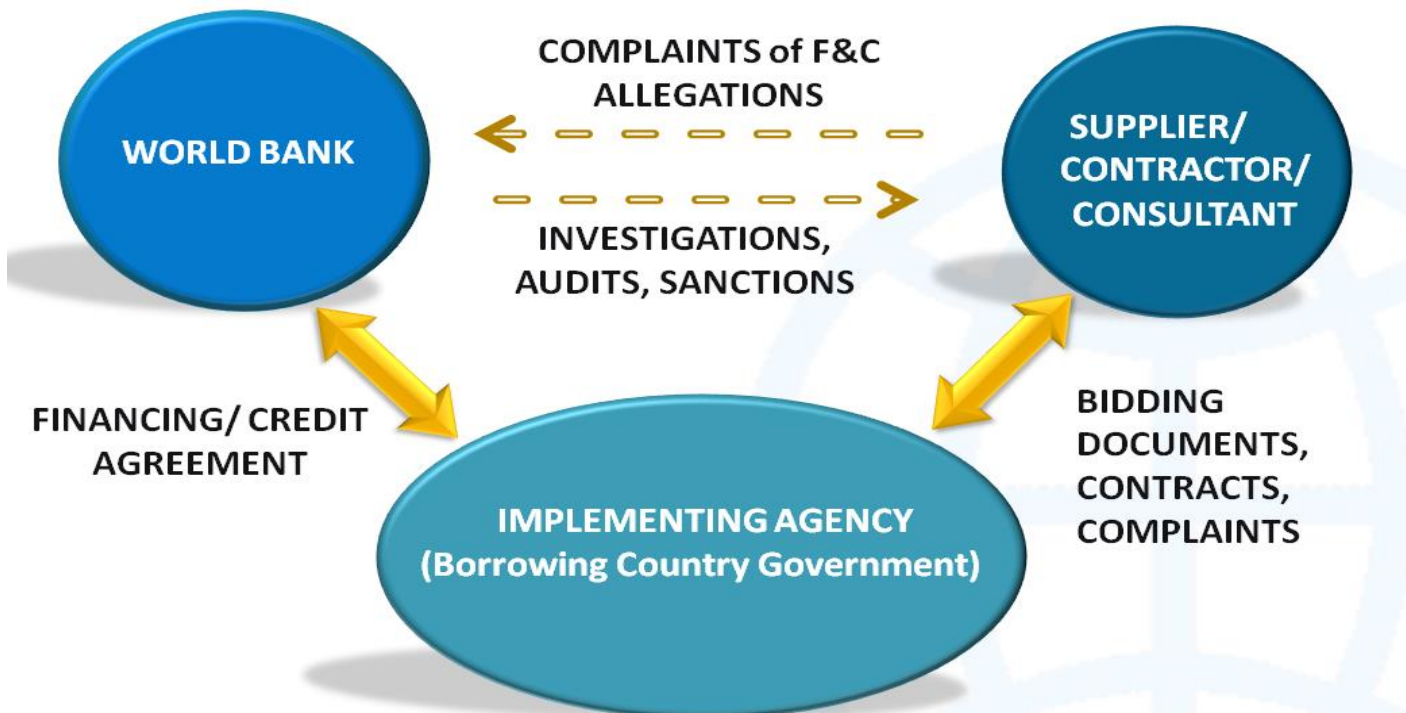

Procurement Guidance: Value for Money

<http://pubdocs.worldbank.org/en/274711479159288956/Guidance-on-VfM-FINAL.pdf>

VfMとは資源の効果的、効率的、経済的な利用を意味し、そのためには、関連する費用と便益の評価に加え、リスク評価、価格以外の属性やライフサイクルコストの評価も適宜に行わなければならない。価格だけでは必ずしもVfMを表すことはできない。

第2章 一般的考慮

2.1 Legal Agreementは、借入者と世界銀行との法的関係を規定する。借入者と契約者間の権利及び義務は、当該の入札依頼書／プロポーザル提出依頼書によって定められる。

第3章 ガバナンス

役割と責任

3.2 借入者は、世界銀行の資金による調達活動を、本調達規則に従って遂行する責任を負う。

事前レビューと事後レビュー

3.5 世界銀行は、高額または高リスク(またはその両方)の調達活動の場合、事前レビューを実施し、調達がLegal Agreementの条件に従って遂行されているかどうかを判定する。

3.6 世界銀行は、借入者の実施した調達活動についての事後レビューも実施し、調達活動がLegal Agreementの条件を満たしているかどうかを判定する。

利益相反

機材、工事、及び非コンサルティング・サービス

3.15 以下のいずれかに該当する企業は、調達プロセスにおいて利益相反が存在するとみなされる。

- a. プロジェクト準備または実施のためのコンサルティング・サービスに従事し、かつ、そのコンサルティング・サービスの結果として発生した、または直接関係する調達に従事する場合。

なお、この規定は、1)直接的または間接的に当該企業を支配する関連会社、2)当該企業により支配される関連会社、3)当該企業と共通の支配下にある関連会社にも適用される。

ただし、この規定は、ターンキー契約またはデザイン・ビルド契約の下で当該契約企業の義務を共同履行する構成企業には適用されない。

コンサルティング・サービス

- 3.16 世界銀行は、コンサルタントに以下を義務づけている。
- a. 偏見のない**専門的助言を客観的立場**に立って与える。
 - b. **常に借入者の利益を最優先**させる。
 - c. 助言を提供するに当たって、他の委託業務や**自社の利害への抵触を避ける**。

不公正な競争上の優位性

- 3.18 、、、コンサルタントやその子会社が、**かつてかかる業務に関連したコンサルティング・サービスを提供したからと言って、優位に立つことは認められない**。そのため、借入者はショートリストに残ったすべてのコンサルタントに対し、プロポーザル提出依頼と同時に、**競争上優位となるすべての情報を開示するものとする**。

As part of the World Bank's commitment to transparency and accountability as central pillars of the development process, this application provides stakeholders with easy and open access to procurement data. The dataset on this application provides information on all major prior-reviewed contracts awarded in World Bank investment project financing. The App allows users to analyze the data through various visualized queries. The app also provides information on procurement opportunities under these projects.

The World Bank provides low-interest loans, zero to low-interest credits, and grants to developing countries. These support a wide array of investments in such areas as education, health, public administration, infrastructure, financial and private sector development, agriculture, and environmental and natural resource management. Some of our projects are cofinanced with governments, other multilateral institutions, commercial banks, export credit agencies, and private sector investors.

(ii) Procurement

81. **The project's procurement risk is assessed to be 'Substantial' after mitigation measures are in place.** The procurement activities financed by the World Bank under the project shall be carried out in accordance with the World Bank's 'Procurement Regulations for IPF Borrowers: Procurement in Investment Project Financing Goods, Works, Non-Consulting and Consulting Services', dated July 2016 and revised November 2017 and August 2018 (Procurement Regulations). During the project preparation, a Project Procurement Strategy for Development (PPSD) was prepared. This PPSD recommends that the

⁴⁰ Issued by the Prime Minister in 2018.

following procurement approaches be followed to achieve the project objectives and maximize value for money: (a) the two largest civil works contracts for the WWTP and wastewater collection pipelines should be procured through Request for Proposals using the DBO contracting form (for the WWTP contract) and Request for Bid (RFB) method (for wastewater collection pipelines), using the traditional (admeasurement) contract form with an international market approach; (b) major consulting services for construction supervision and technical assistance and so on should be procured using the Quality- and Cost-Based Selection method with an international market approach; and (c) lower risk, low-value civil works contracts should be procured through the RFB method using the e-Bidding process in the Vietnam National Electronic Procurement System (VNEPS). A project procurement risk assessment has been conducted for the project. The key risks identified by this assessment and proposed mitigation measures are presented in section VI.

Design-Build-Operate (DBO) とは

- a single organization responsible for the design, build and operation of the works
- **Cost efficiencies** are gained because the contract is awarded on the basis of the **lowest combined capital and operating costs**.
- The DBO model will usually ensure **improved works performance** relative to public operation.
- The DBO can also provide for **skills transfer to the Employer's staff** if this is specified in the contract, through training and even on the job training of Employer staff in the latter years of the operation period can be included.

Why bid on Bank-funded contracts?

- Billions of dollars worth of business

- Opportunities to work globally
- Opportunities to enter developing markets

- Equal opportunity & fair treatment
- Certainty of process & high standards of integrity
- High certainty of payment

- Variety of contract sizes
- Opportunities suitable for SMEs to large multinationals

- Wide variety of sectors
- Demand for variety of specializations

PROCUREMENT GUIDANCE

Procurement-related Complaints

How to complain

January 2017

<https://thedocs.worldbank.org/en/doc/975671478891365829-0290022017/original/GuidanceProcurementrelatedComplaints.pdf>

What can be challenged? Examples

1. Procurement Documents

- Prequalification document
- Initial Selection document
- Request for Bids or Request for Proposals
- Addenda to any of the above documents

2. Decision to Exclude

- not qualifying in a Prequalification
- not being selected in an Initial Selection
- being eliminated from a multi-stage procurement process
- not passing the minimum technical qualifying mark in consulting services

3. Decision to award a contract

Standstill period timeline

Submitting a complaint

- SPDs provide instructions to bidders/proposers on how, where and when to file a complain
- Form of Notification of Intention to Award provides among others instructions on how to file a complaint challenging award
- **Complaints must be submitted to the borrower**
- This is the entity and the official designated for that purpose in the respective Procurement Document
- If sent to the Bank, the complaint will be forwarded to the borrower promptly
- Must be submitted in writing (preferably by the quickest means available to be able to meet the timelines). E.g.
 - ◆ Email, fax, or
 - ◆ borrower's e-procurement system, if applicable
